

Flex Thursdays at Dan Knott

We are so excited to continue with “Flex” Thursdays this year at Dan Knott. Last year was a huge success and this year will be even better! In case you are new, every Thursday our school has a special schedule that runs a quick homeroom class followed by four one hour flex sessions that students select using their school zone account. Students have the option to choose one or more sessions relating to their core subjects and up to three sessions that they are passionate about. This self-directed learning is a fantastic opportunity for students to become engaged in their learning. Thursdays at Dan Knott is all about student choice and student voice!

The Engaged Thinker, Ethical Citizen, and Entrepreneurial Spirit

All of our sessions relate to at least one or more of the competencies of an educated Albertan as outlined by the Ministry of Education. These include:

- 1) Problem Solving
- 2) Critical Thinking
- 3) Communication
- 4) Manage information
- 5) Creativity and Innovation
- 6) Cultural and Global Citizenship
- 7) Personal Growth and Well Being
- 8) Collaboration

Flex On School Zone

- Sessions for up-coming Thursdays are available to students for selection on their school zone accounts starts every Friday at 3:05pm.
- Students then have until Tuesday after their home room class to make their selections. After this time the selections will be set.
